

BZZZ ! The sound of Electricity by Cécile Babiolo - **Technical rider**

The installation is presented in the shape of a circle (diameter : 6 meters high : 3,30 meters).

Espace Gantner provides:

- 6 custom electronics devices
- 12 amps
- 24 loudspeakers
- power plugs
- audio cables
- 24 mic stands

You provide :

- a wide white space at least 8m x 8m
- a hook from the ceiling able to support approx 10 kg
- the plinth made of MDF wood and matt white paint :
 1. 2 boxes : 35cm x 35cm x 100cm high (10mm thick)
 2. a board on top 35 cm x 110 cm (18mm thick)
- light.

Set up : 1 day and a half with an assistant that you provide.

(The plinth must have been built and painted in white in advance)
